

**Common Teaching Unit plan  
(structure and contents)**

"Apps4EL – Mobile Applications for Effective Learning"  
Erasmus+ KA2 Project number: 2016-1-DE03-KA219-

<b>Name of school</b>	Liceo Artistico B. Munari Castelmassa
<b>Theme of the lesson</b>	The world of Apps
<b>Pupils' age range</b>	14-16
<b>Timeline</b>	10 hours
<b>Objectives</b>	<ol style="list-style-type: none"> <li>1. To understand the world of apps (definition, functioning , main features)</li> <li>2. Design a new app (basic details, what it should do) focusing also on the graphic aspect (design the logo and the main background)</li> <li>3. To develop a new approach in learning methods</li> <li>4. Improve team working</li> <li>5. Use the internet to search information and details.</li> </ol>
<b>Methods</b>	<p><b>Part I</b></p> <ol style="list-style-type: none"> <li>1. The teacher explains the main function of an app, its main features and its importance, not only to play games</li> <li>2. The students (divided in groups) invent an app (main function, name and logo, graphic project)</li> </ol> <p><b>Part II</b></p> <ol style="list-style-type: none"> <li>1. Each group will prepare a short presentation of its app to the class</li> </ol> <p>The teacher will help students to reflect upon the use of such tools and will support them during the various phases of the project</p>
<b>Materials</b>	Computers, interactive boards, smartphones and tablets
<b>Used App</b>	Google suite, Thinglink

<b>Assessment</b>	Group work, graphic presentation, oral presentation
<b>Remarks</b>	The teacher will coordinate the students in every step of their activity. They will be supported during their working in team. They will also have the possibility to use apps and software tools in a critical way

**Example of the apps created with the 1<sup>st</sup> class of Liceo Munari (list of apps, demonstrative link)**

Group	New APP's name	Description
1	WORLD.IO	It's a game you play in pairs with people all over the world
2	Easy homework	You can do your homework easily and without any effort
3	I love drawing!	You can draw expressing yourself, using your fantasy and creativity
4	Memory app	Here you can put all the apps that you want so that you can save space in your mobile memory
5	Bookworld	With this app you can read books, comics, magazines, gossip and much more...
6	For choice	With this app you can make drawings and share them with anyone
7	Travelling on the moon	With this app you can enjoy a wonderful trip on the moon just using your mobile...
8	Fashion style ideas	With this app you can create your daily outfits (to go to work, for the free time or your evenings out)

**HERE IS THE LINK...enjoy it!**
