

**Common Teaching Unit plan
(structure and contents)**

"Apps4EL – Mobile Applications for Effective Learning"
Erasmus+ KA2 Project number: 2016-1-DE03-KA219-

Name of school	Liceo Artistico B. Munari Castelmassa (RO)
Theme of the lesson	English and American way of life using "Friends" tv series
Pupils' age range	16 - 17
Timeline	3 hours in May-June 2018
Objectives	<ol style="list-style-type: none"> 1. Discussion about English and American way of life 2. Learning and practising everyday spoken language focusing on particular themes, such as emotions, ideals, plans, job etc. (according to the theme of the chosen episode) 3. Share opinions about a common subject 4. Use the internet and apps to watch the episodes and to encourage critical thinking and personal reflections
Methods	<p>Part I</p> <ol style="list-style-type: none"> 1. The teacher will introduce the objectives to the students. 2. The students will watch the episode, either in class or at home (using Netflix or Youtube). 3. After the activity the students, singularly or divided into small groups, will discuss about the theme of the episode (guided by the teacher, also with the support of an "activity sheet", previously prepared by the teacher). The "activity sheet" includes exercises relative to the comprehension of the episode (true/false sentences, matching of statements etc.). <p>Part II</p> <ol style="list-style-type: none"> 1. The students will discuss and compare the theme of the episode with personal experiences. 2. The teacher will help students to reflect, compare and discuss about the subject of the episode.

Materials Used App	Computers, interactive boards, smartphones and tablets Netflix, Youtube
Assessment	Activity sheet. Group work. Oral test.
Remarks	The teacher will coordinate the students in every step of their activity and will prepare the “activity sheet”. The students will be supported during their working in team, they will also have the possibility to use apps and software tools in a critical way.
