

**Common Teaching Unit plan
(structure and contents)**

**"Apps4EL – Mobile Applications for Effective Learning"
Erasmus+ KA2 Project number: 2016-1-DE03-KA219-**

Name of school	IPSAA BELLINI/IIS B. Munari ITALY
Theme of the lesson	THANKSGIVING: THE FESTIVITY AND ITS RELATED FOOD
Pupils' age range	17
Timeline	6 hours in November (The week before Thanksgiving) + time spent at home
Objectives	<ol style="list-style-type: none"> 1. Getting to know one of the most popular American festivities: culture, history, vocabulary 2. Learning about the popular recipes made for the occasion: Stuffed turkey, sweet potato soufflé, cranberry sauce, pumpkin pie... 3. Comparing American and Italian Thanksgiving
Methods	<p>Part I</p> <ol style="list-style-type: none"> 1. The teacher will introduce the objectives to the students telling them that the approach used will be that of the FLIPPED CLASSROOM (that is not new to the students). 2. The topic will be introduced through a spidergram on the blackboard to brainstorm the words connected to the festival 3. The students will watch a video at home : https://www.youtube.com/watch?v=IP-APn_JT0 and eventually answer to some multiple choice questions. 4. In class the students, divided into small groups, will discuss about the video guided by the teacher's "activity sheet". The "activity sheet" includes questions to "dig deeper" into some of the facts hinted at in the video about the history of native Americans, the Pilgrim Fathers, the food prepared during the first Thanksgiving banquet. The teacher will help them to solve their doubts. <p>Part II</p> <ol style="list-style-type: none"> 1. The groups will be assigned tasks: <ul style="list-style-type: none"> _ Group A will have to create a quiz about the festival using the APP: WHO WANTS TO BE A MILLIONNAIRE . _ Group B will have to create a menu using the APP: CANVA which enables to create menus, leaflets, brochures _ Group C will use the APP: COOKPAD to invent and create the recipes

	<p>suggested in the menu created by group B.</p> <p>_ Group D will use the APP: COOKPAD to create recipes for Thanksgiving suitable for diabetics</p>
<p>Materials</p> <p>Used App</p>	<p>Computers, interactive boards, smartphones and tablets</p> <p>WHO WANTS TO BE A MILLIONNAIRE, CANVA, COOKPAD</p>
<p>Assessment</p>	<p>The evaluation will be based on their creativity, use of the new vocabulary, interaction with the other groups in order to solve the problems hinted at by the teacher.</p> <p>Oral test about the festivity.</p>
<p>Remarks</p>	<p>The teacher will coordinate the students in every step of their activity and will choose the video and prepare the “activity sheet”.</p> <p>The students will be supported during their working in team, they will also have the possibility to use apps and software tools in a critical way.</p>
