

**Common Teaching Unit plan  
(structure and contents)**

**"Apps4EL – Mobile Applications for Effective Learning"**  
Erasmus+ KA2 Project number: 2016-1-DE03-KA219-

<b>Name of school</b>	IESO Manuel de Guzmán
<b>Theme of the lesson</b>	Les verbes ER , les nombres et les couleurs
<b>Pupils' age range</b>	11-13 years
<b>Timeline</b>	3 hours
<b>Objectives</b>	<ol style="list-style-type: none"> <li>1. To use vocabulary related to the numbers and colours</li> <li>2. To acquire grammar structures to describe the daily routine.</li> <li>3. To check common mistakes and difficulties of the classroom.</li> </ol>
<b>methods</b>	<ol style="list-style-type: none"> <li>1.- We will create a vocabulary glossary about the <u>colours</u> and the <u>numbers</u> from 0 to 100 in groups.</li> <li>2.- Students will try to identify the grammar rules of present simple of verbes - ER and write them on their notebooks.</li> <li>3.- We will revise and practice the vocabulary and the verbs <u>ER, Avoir and être</u> using the app Plickers. Students will answer questions and we will correct the mistakes together.</li> <li>4. We will evaluate the students by using the app Kahoot. Students have to answer the questions individually with time limit.</li> </ol>
<b>Materials</b> <b>Used Apps</b>	<ul style="list-style-type: none"> <li>• Students' book;</li> <li>• Mobile phones</li> <li>• Plicker's cards</li> <li>• notebooks</li> <li>• Apps: plickers and Kahoot</li> </ul>
<b>Assessment</b>	<ul style="list-style-type: none"> <li>• Writing revision</li> <li>• Oral and reading activities using the apps.</li> </ul>
<b>Remarks</b>	If we want to use Kahoot in class, we have to aks students to bring their mobiles before this activity. They need a good internet connection( a phone rate including internet). If it's not possible, we can use computers.
